

Miami Week of Science

A week of climate and science awareness connecting the March for Science Miami and the Miami People's Climate March

Wednesday, April 19

- 7 p.m. **Sip of Science @ Miami Science Barge** - Dr. Keren Bolter, professor at FAU speaks on Sea Level Rise and Climate Justice in Miami. RSVP Required: <http://bit.ly/2nodpoU>

Thursday, April 20

- 5 p.m. **A Plastic Ocean film screening @ University of Miami Rosenstiel School's Auditorium hosted by Debris Free Oceans.** RSVP Required: <http://bit.ly/2pErbBD>

Friday, April 21

- 7:30 p.m. **Beneath the Waves Film Festival @ Miami Seaquarium** - Join us for a family-friendly outdoor evening to showcase 10 short films (5-10 minutes each) about the marine environment. <http://bit.ly/2po9lhH>

Saturday, April 22

11 a.m. **March for Science Miami @ Museum Park** – Join us to celebrate our enthusiasm and passion for science and to call for support in safeguarding the scientific community. <http://bit.ly/2p60pGe>

- 7 a.m. to 6 p.m. **Perch @ Tropical Audubon Society** - Explore the Steinberg Nature Center habitats, bring lunch and picnic in our oak-shaded grove, or simply commune with Nature. Entry via Sunset Drive or 56th Avenue pedestrian gates. <http://bit.ly/2pkrdlJ>
- 7:30 a.m. **AD Barnes Park Bird Walk hosted by the Tropical Audubon Society** - Enjoy a beautiful morning observing birds in the serene atmosphere of A.D. Barnes Park! <http://bit.ly/2pkrdlJ>

Sunday, April 23

- 8 a.m. **Beach Cleanup @ Hobie Beach hosted by Miami Seaquarium** - Help clean one of our beautiful beaches and then get free admission to the Seaquarium for the day! <http://bit.ly/2pkvmGg>

Tuesday, April 25

- 5:30 p.m. **Premier screening of Changing Seas' "The Future of Seafood" @ the University of Miami Rosenstiel School's Auditorium** - RSVP Required: <http://bit.ly/2oeOMsn>
- 6:30 p.m. **Community Climate Forum @ Little Haiti Cultural Center hosted by CLEO Institute and RSMAS students** – Discuss climate impacts and how science helps the city of Miami stay resilient. <http://bit.ly/2p7MFe2>

Miami Week of Science

A week of climate and science awareness connecting the March for Science Miami and the Miami People's Climate March

Wednesday, April 26

- 6 p.m. **Parched for Science: A RSMAS Science Trivia Night @ The Wetlab** – Come to Miami's most beautiful beach bar at UM's Rosenstiel campus for a night of science trivia and 5 minute informational science talks.

Thursday, April 27

- 8 a.m. **Coral Restoration scuba dive @ Diver's Paradise on Key Biscayne hosted by Rescue a Reef** - Join the UM Rescue a Reef team for a day of open-water coral research and restoration on the beautiful reefs of South Florida! Citizen scientists are trained in coral nursery maintenance, data collection and out-planting techniques. RSVP Required: <http://bit.ly/2nVyNn9>

Friday, April 28

- 7 p.m. **Climate Seminars @ the Tropical Audubon Society** - Delaney Reynolds, a high school student who started her own Climate Change awareness organization "Sink or Swim," and Dr. John Van Leer, Professor at the University of Miami's Rosenstiel School, will be presenting. Delaney will discuss why the truth related to Climate Change is more important than playing politics to kids and Dr. Van Leer will be speaking about the importance of putting a price on carbon. RSVP Required: <http://bit.ly/2pubZrt>
- 8 p.m. **Star Party @ FIU AstroScience Center** - "Digital Civilizations" special exhibition and book signing with artist remarks by Luciano Marx Rabuske, and tours of the AstroScience Center telescope. <https://goo.gl/nHG0Mv>

Saturday, April 29

1 p.m. **Miami People's Climate March @ Jose Marti Park** – Join hundreds of thousands of others as we march together all around the country for strong and swift action to prevent the worst impacts of climate change.

<http://bit.ly/2nQiHuZ>

- 7:30 a.m. **AD Barnes Park Bird Walk hosted by the Tropical Audubon Society** - Enjoy a beautiful morning observing birds in the serene atmosphere of A.D. Barnes Park! <http://bit.ly/2pkrdlJ>
- 9 a.m. **Dune Restoration Event @ Virginia Key Beach hosted by Miami Waterkeeper** - Help Miami Waterkeeper remove invasive species from the dunes, pick up trash on the beach and support our local parks! <http://bit.ly/2pouXQu>
